Dear Juraj Marko,

Congratulations on your 2013 Travellers' Choice award for Hotel Set!

Your property belongs to a very exclusive group. This year, less than one percent of all accommodations listed on TripAdvisor received Travellers' Choice awards.

I'm delighted to enclose the Travellers' Choice Award wall plaque you requested. I hope you'll display it with pride.

Best wishes to you and your entire staff for continued success in 2013.

Sincerely yours,

Steve Kaufer
